

DATA PROCESSING NOTICE

According to art. 13 par. 1 and par. 2 of the General Regulation on the Protection of Personal Data of 27 April 2016 (hereinafter: GDPR), I inform that:

1. The data controller of your personal data is LINK Mobility Poland Sp. z o. o. based in Gliwice (44-100) at ul. Toszecka 101, Poland.
2. Contact person for personal data protection in LINK Mobility Poland Sp. z o. o. is the Data Protection Officer available at the email address: dpo@smsapi.com.
3. Your personal data will be processed in order to perform the contract and to consider any claims related to it under art. 6 section 1 point b of the general regulation on the protection of personal data of 27 April 2016.
4. The recipient of your personal data will be authorized by the administrator's employees, contractors providing management, accounting, marketing and legal services to the Data Controller and the Data Controller owner Link Mobility Group ASA, Norway.
5. Your personal data may be transferred to a third country (USA) on the basis of a decision of the European Commission stating the appropriate level of protection (decision of 12 July 2016 implementing the Privacy Shield contract).
6. Your personal data will be stored for the duration of the contract and in the case of making a payment to the administrator later for the duration of documentation (6 years) required by the provisions of the tax law.
7. You have the right to access your data and the right to rectify, delete, limit processing, the right to data transfer, the right to object, the right to withdraw consent at any time without affecting the lawfulness of processing, which was made on consent before its withdrawal.
8. You have the right to lodge a complaint to the supervisory body when you deem that the processing of your personal data violates the provisions of the GDPR.
9. Providing your personal data by you is voluntary and the consequence of not providing personal data will be the inability to provide services to you.
10. Your personal data will not be processed in the form of profiling.
